<p>Windmills Opportunity Playgroup is a registered charity, formed in 1984, which provides play and development opportunities for children with additional needs. It provides a supportive and stimulating environment for the children and their families, delivered by qualified practitioners.</p> <p>The special needs of the children require a higher staff to child ratio, which means the group is unable to recoup all its costs from the fees it charges the families. COMMUNITY COMMENTS:	
<p>Friends of Burgess Hill Green Circle Network is a registered charity set up in 2007 to promote conservation and wildlife. The group maintains Bedelands Nature Reserve and other habitats including ponds around Burgess Hill on behalf of the Town and District Councils. They also promote awareness of the importance of conserving wildlife and its varied habitats to the local community.</p> <p>As well as carrying out regular conservation work, the group organises free educational events, including guided walks, an annual Children's Safari and Meet the Wild Things, a series of free events during the school holidays, and the Wild About Mid Sussex exhibition during the Summer Festival.</p> <p>The grant requested is to purchase a brush cutter to cut back undergrowth from path margins and hedges and sturdy stackable storage boxes to keep the equipment clean and dry. Also to cover additional costs associated with providing security for the Festival marquee. Following the anti-social behaviour problems experienced by the volunteer guards last year it was decided to employ a professional security company this year. Funding was raised to cover the cost on the basis of the quote originally provided, but it was subsequently found necessary to extend the time by 3 hours during each of the 3 nights, from 8pm – 8am. When the invoice was received it included VAT, which they had not realised would be payable. These additional costs left a shortfall of £291.60 above the £486 grant they had been awarded by Mid Sussex District Council. The overnight guard was for the entire weekend, not just the Wild About Mid Sussex event, and the marquee was used for 4 other Festival events during the weekend.</p>

COMMUNITY COMMENTS:	
<p>4Sight is a registered charity that was established in 1921. It supports vision impaired people in West Sussex through the provision of a range of tailored services. In 2013, the 4Sight resource centre in Burgess Hill was closed due to reduced funding. They have continued to provide Outreach Worker visits, organised Equipment & Exhibition Days and displayed a limited range of equipment in the Town Council's Help Point.</p> <p>The grant requested is towards extending the service they provide by enabling an Outreach Officer to visit members at home. They have seen a reduction in the number of visits to their resource centres due to sight loss and mobility issues, and fees charged for their services have also become a barrier. The grant would contribute towards the cost of providing free visits to members at their homes in Burgess Hill.</p>
