

St George's Day Tea Party Feedback – Event held April 2024

We placed feedback cards on all the tables and asked attendee to complete them. We felt this was far more appropriate than the QR code, due to the demographic attending.

Here are the responses received for this event, as they were written on the slips;

What did you like about the event:

- Lovely but wrong choice of music for older folk
- A great afternoon getting everyone together, nothing too much trouble, very nice china - beautiful
- Everyone I have attended has been great and a lovely afternoon, keep up the good work
- It was a very pleasant afternoon. I really enjoyed the singing, a lovely selection of songs. I'm glad we didn't have to sing "we'll meet again"
- It was nice to see all the people attending. All parts of the day were excellent. All the people helping, all the volunteers worked so hard.
- If I am alive in 2025, I would like to attend again.
- The singer
- The friendly atmosphere

- Encourage community spirit
- Music and a bit of chat
- Told about Age Concern • Very cheerful
- Games
- Word searches etc (x2 responses)
- Music (x2 Responses)

What would you like to see that could improve the event:

- Advise people to bring cushions as the seats are so hard for age group. Worse for men, I think? Perhaps not.
- Chairs with arms for those who need them to get up
- Open the doors a little earlier, there is not enough room in the foyer to queue
- Doors opened a bit earlier. Explanation of what's on offer at the centre/leaflet. A raffle.
- You need more jugs of milk, two at least, preferably four. It's a shame that the Rotarians, who organised the event, talked so loudly during the signing, so disrespectful. I had to keep asking them to be quiet. If helpers group refrain from chatting to guests during the singing as well
- Entertainment you can join in with (harder than you think, sorry)
- Savory food, sandwiches, quiche etc
- Sandwiches, sausages and savoury rolls
- The Rotary people sitting with us
- Better music
- Savory food please
