

BurgessHill

Town Council

**Planning Committee Meeting to be held on
MONDAY 5 AUGUST at 19.00 hours in the Council Chamber**

5. **CHAIRMAN'S ANNOUNCEMENT**

WSCC received a Community Highway Scheme request from Mrs Elizabeth Range on behalf of Worlds End Association back in 2022, for improved safety of active travel, including pedestrian dropped kerb crossing points, in Junction Road, Valebridge Road and Janes Lane.

The processing of this application was put on hold till the improvement works around Wivelsfield Railway Station were completed. It is now proposed to take this application forward for moderation this autumn, the request needs the written support from the Local County Councillor, and Burgess Hill Town Council.

The application form can be viewed at Appendix 2.

RECOMMENDATION: The Committee is recommended to support the requested.
